Product Change Notice (PCN)

Date: 07/15/2026

To Our Customers:

The purpose of this notice is to inform you of a product change.

We appreciate your continuous support of Delta products. We are committed to maintaining and improving processes in addition to enhance our product quality, reliability, and manufacturability.

- Product(s) Affected: **TCA1748BT-00P8**
- Reason(s) for Change: Discontinuity of the control IC
- Duration of Change: Permanent
- Impact: Affected Date Code: from 08/31/26 onward

Description of Change: Control IC change

Due to discontinuity of the control IC, Delta proceeded to redesign the product with the alternate supplier, the product underwent a comprehensive testing process to verify that it functions as intended and aligns with all the predetermined criteria outlined in its specifications, guaranteeing its quality and suitability for use.

Additional Information: We recommend the users to test the product with the existing application to ensure its compatibility.

PCN Approval: Operations/Quality Product Management

George Chen
